Mandatory Directive: This manual establishes the formal workplace expectations and service protocols for all office support staff at Ace Services. Adherence to these guidelines is vital to maintaining operational excellence and workplace hygiene.

1. PROFESSIONAL APPEARANCE & PERSONAL GROOMING

All office support personnel are required to maintain pristine personal hygiene and professional standards of presentation:

- **Attire:** Wear clean, properly laundered, and neatly ironed clothes daily. All shirt buttons must remain completely fastened while on duty.
- **Footwear:** Wear standard safety shoes every day. Footwear must be polished regularly every 2 to 3 days to maintain a professional appearance.
- **Grooming:** Nails must be kept impeccably clean and closely trimmed. Haircuts must be done on a monthly basis, and shaving or maintaining facial hair must be completed at least every 2 to 3 days.

2. WORKPLACE GREETINGS & ETIQUETTE

Support personnel represent the frontline hospitality of the office environment:

- **Professional Greetings:** Courteously welcome all team members, company executives, and visiting clients with appropriate time-of-day greetings (e.g., "Good Morning," "Good Afternoon," "Good Evening").
- **Interpersonal Respect:** Proactively extend warm wishes to staff on milestones and personal events, including birthdays, marriage anniversaries, professional promotions, or key operational achievements.

3. FOOD & BEVERAGE SERVICE PROTOCOLS

All refreshments must be prepared and served in compliance with strict hygienic procedures:

- **Water Hospitality:** Briskly and attentively serve fresh drinking water immediately upon any guest's arrival at the facility.
- **Sanitation Inspection:** Thoroughly verify the absolute cleanliness of cups, glasses, serving trays, and your hands prior to serving tea, coffee, snacks (Nasta), or food.
- **Table Arrangement:** Neatly position plates and cups at their correct locations on tables when serving tea and snacks.

- **Spill Prevention:** Exercise absolute caution to prevent water, tea, or coffee from spilling onto the tray or table surfaces.
- **Post-Service Maintenance:** Immediately clear, sanitize, and wipe down the tables after the completion of tea or snack services.

4. OFFICE CLEANING & MAINTENANCE STANDARDS

A rigorous sanitation schedule must be implemented daily to maintain pristine office conditions.

4.1 Daily & Routine Cleaning

- **Early Morning Preparation:** Complete sweeping, mopping, and comprehensive dusting of all designated office rooms during early morning hours before regular shifts commence. Ensure sweeper tasks are fully verified.
- **Workstation Sanitization:** Clean and wipe down office desks, computer monitors, keyboards, mice, CPUs, and telephone equipment daily.
- **Pantry Cleaning:** Wash all kettles, cups, and trays immediately after use utilizing authorized detergent powder only. Exercise care to avoid wasting water during washing.
- **Bottle Hygiene:** Wash individual office water bottles completely every day, utilizing a proper cleaning brush whenever necessary.
- **Waste Logistics:** Empty all office dustbins daily and keep them in sanitary, functional condition. All general and food waste must be discarded exclusively in designated bins.
- **Furniture Upkeep:** Wipe and clean office chairs properly. Clean internal desk drawers regularly or upon request.

4.2 Periodic Maintenance

- **Thermal Sterilization:** Expose the pantry kettle to direct sunlight for 1 hour every 3 days for environmental sterilization.
- **Structural Components:** Meticulously clean all windows, doors, glass walls, and office curtains every 2 to 3 days.
- **Electrical Safety:** Clean switchboards, plugs, and electrical outlets with maximum caution and appropriate dry-safety protocols.
- **Storage Units:** Maintain all storage almirahs (almaris) and filing cupboards in a completely clean, dust-free state.
- **Visual Boards:** Keep all office notice boards clean, organized, and properly arranged.
- **Web Removal:** Proactively and immediately clear away spider webs as soon as they are spotted.
- **Entrance Presentation:** Ensure clean, properly positioned doormats are placed at every main entrance door, especially at the HR office.

5. INVENTORY & ADMINISTRATIVE RECORD KEEPING

Support staff are responsible for tracking designated company assets and logs accurately:

- **Pantry Assets:** Maintain a detailed inventory log of all cups, kettles, plates, trays, spoons, and associated pantry materials.
- **Logistics Documentation:** Keep an accurate record of processed photocopies (Xerox copies).
- **Asset Tracking:** Keep a clean log of additional chair inventory held within the HR office.
- **Material Issuance:** Systematically log any operational supplies or corporate materials issued to support staff.
- **Property Management:** Inform your designated Reporting Officer immediately regarding any property damages or facility faults.
- **Security Protocols:** Complete thorough and proper key-register logs (In/Out time and signatures) for all official office keys.

6. WORKPLACE CONDUCT & COMMUNICATION GUIDELINES

Support staff must uphold professional decorum and operational focus throughout all working hours:

- **Professional Focus:** Keep communication minimal and concise; strictly avoid unproductive talk, casual chatter, or workplace gossip with office staff or colleagues.
- **Information Security:** Under no circumstances participate in, overhear, or transact confidential company conversations.
- **Mobile Device Regulations:** Keep personal mobile devices strictly on silent mode. Refrain from making or taking personal phone calls in the office unless it is an absolute emergency. Streaming or listening to music on mobiles during work hours is strictly prohibited.
- **IT Security Protocol:** Do not plug personal mobile phones, USB charging cables, or external devices into any company computer systems.
